

## **AMENDMENTS TO THE SPECIFICATION**

On Page 4, insert the following paragraph between lines 2 and 3:

FIG. 15(f) illustrates the resting device pivoting between the upright (use) position shown in FIG. 15(d) and the flat down position shown in FIG. 15(e).

If the US Patent Application Publication US 2009/0151761 A1 is used as a reference for the specification, the above paragraph is to be inserted between Paragraphs [0030] and [0031].

No new matter has been added.
